## Pittsburgh Elite Girls Volleyball 2008 Tournaments

Pittsburgh Elite Girls Volleyball is pleased to announce that we will be hosting three tournament dates for the 2008 JO season.

As a member of the KRVA, we will be hosting the tournaments at our “home” facility, CourtTime Sports Center in Elizabeth, Pa. ([www.courttimesportscenter.com](http://www.courttimesportscenter.com)). This center is currently a four court complex, with future plans to expand to six courts, and includes plenty of seating, a concession stand, and is close to major highways.

Our goal is to bring in teams from several JO regions to provide quality competition, along with avoiding playing the same teams at tournaments. Last year, we had teams from three states attend our tournaments. We will be hosting both “Open” and “Club” tournaments this year.

The following are the dates of the tournaments. They are listed on the KRVA website at: [www.krva.org](http://www.krva.org), and you can register on line. Registration opens on **November 30<sup>th</sup>, 2008**

**Saturday, February 23rd, 2008**

**Pittsburgh Elite “Spike Classic” 14 and under and 15 and under “Club” level girls tournament**

**8 Teams per age group**

**Saturday, April 5<sup>th</sup>, 2008**

Hotel and area information is on the KRVA website, as well as the Pittsburgh Elite website ([www.pittsburghelitevolleyball.com](http://www.pittsburghelitevolleyball.com))

Please consider attending our tournament, and if your club is planning on holding a tournament, and it is not on any of the region websites, we would love to attend. We will continue to support many of the tournaments that we previously have attended, and hope to see many of you at our tournaments.

Should you have any questions, or need additional information, please call me at (412) 818-9061, or via e-mail at: [mayorgary@comcast.net](mailto:mayorgary@comcast.net). Thank you and looking forward to seeing all of you.
